

Tracy Isakson is an Executive Recruiter with Johnson Search Group (JSG), a division of Johnson Service Group. He is an expert in the Banking and Finance industry and he focuses on direct permanent placement of professionals in that arena. Tracy is committed to being a highly personalized recruiter and prides himself on his thorough, passionate, and focused approach. Tracy and his team work with mid-size to Fortune 500 companies to secure the very best professionals for C-level, Director, Management, and skilled positions throughout the United States. By developing constant rapport with both clients and candidates, Tracy ensures the quality and success of any search assignment and the sustainability of these relationships.

In working with Tracy and Johnson Search Group, you will be provided the opportunity to work with professionals who understand and can address your critical hiring needs. Depending on the parameters of your search, you can utilize the banking and finance team on a retained or engaged basis, or contingency agreement. Call Tracy and he can discuss the right one for you and your firm.

Effective recruiting means not only finding people with the right skills, but finding people with the right fit for the particular organization. It is an art and a science that requires seasoned judgment and leading-edge technology. Tracy and his team put every candidate thru a 3 step vetting process. This assures both candidates and clients are receiving the best opportunity for growth and success with every opportunity. Johnson Search Group has over 30 years of experience in successful recruiting and placement which speaks to the trust that our clients instill in us.

Tracy brings over 18 years of experience in recruiting, management and sales processes. He is passionate about connecting the best talent with the right employment opportunity. Let Tracy and his team earn your trust and become your business recruiting partner.

Founded in 1983, **Johnson Service Group** has grown into one of the most successful recruitment organizations in the world. In 2014, JSG was named by Staffing Industry Analysts to three of their prominent lists: Largest U.S. Staffing Firms, Fastest-Growing U.S. Staffing Firms, and Largest U.S. Engineering Staffing Firms. JSG offers a full range of staffing solutions including contract, permanent placement, and large-scale project solutions.
