

## ***KEN HELLER***

There's something extremely fulfilling about putting in an honest day's work and knowing you've made a positive impact on someone's life. I've been fortunate to have worked in different industries and to have had the opportunity to volunteer and make a difference in people's lives. Now I'm bringing that same passion and dedication to the mining industry. The mining community is very special and contains many professionals who are "The Salt of the Earth".

I couldn't be more excited to join the talented, dynamic and dedicated mining team here at Johnson Search Group and am even more excited to join the mining community. With over 25 years of collective experience and a strong understanding of the industry, I look forward to working with you as your strategic partner, whether you are looking for that next move or are in need of great talent. You can rely on me for industry knowledge, honesty and commitment, and together we can do great things!

I am a part of a very accomplished team at JSG that works cohesively to place candidates across the United States and throughout the world. We offer [superior customer service](#) and boast some of the highest offer acceptance rates throughout the industry.
